Lawn Tractor

HOW TO USE THIS MANUAL

This manual is designed to provide the customer with a means to identify the parts on his/her tractor when ordering repair parts. The illustrations may or may not represent the actual assemblies; therefore, it is not recommended to use this manual as a guide to assemble or disassemble the tractor. Some hardware and parts are drawn larger in order to more readily identify them.

The model number for your tractor can be found on the fender under the seat.

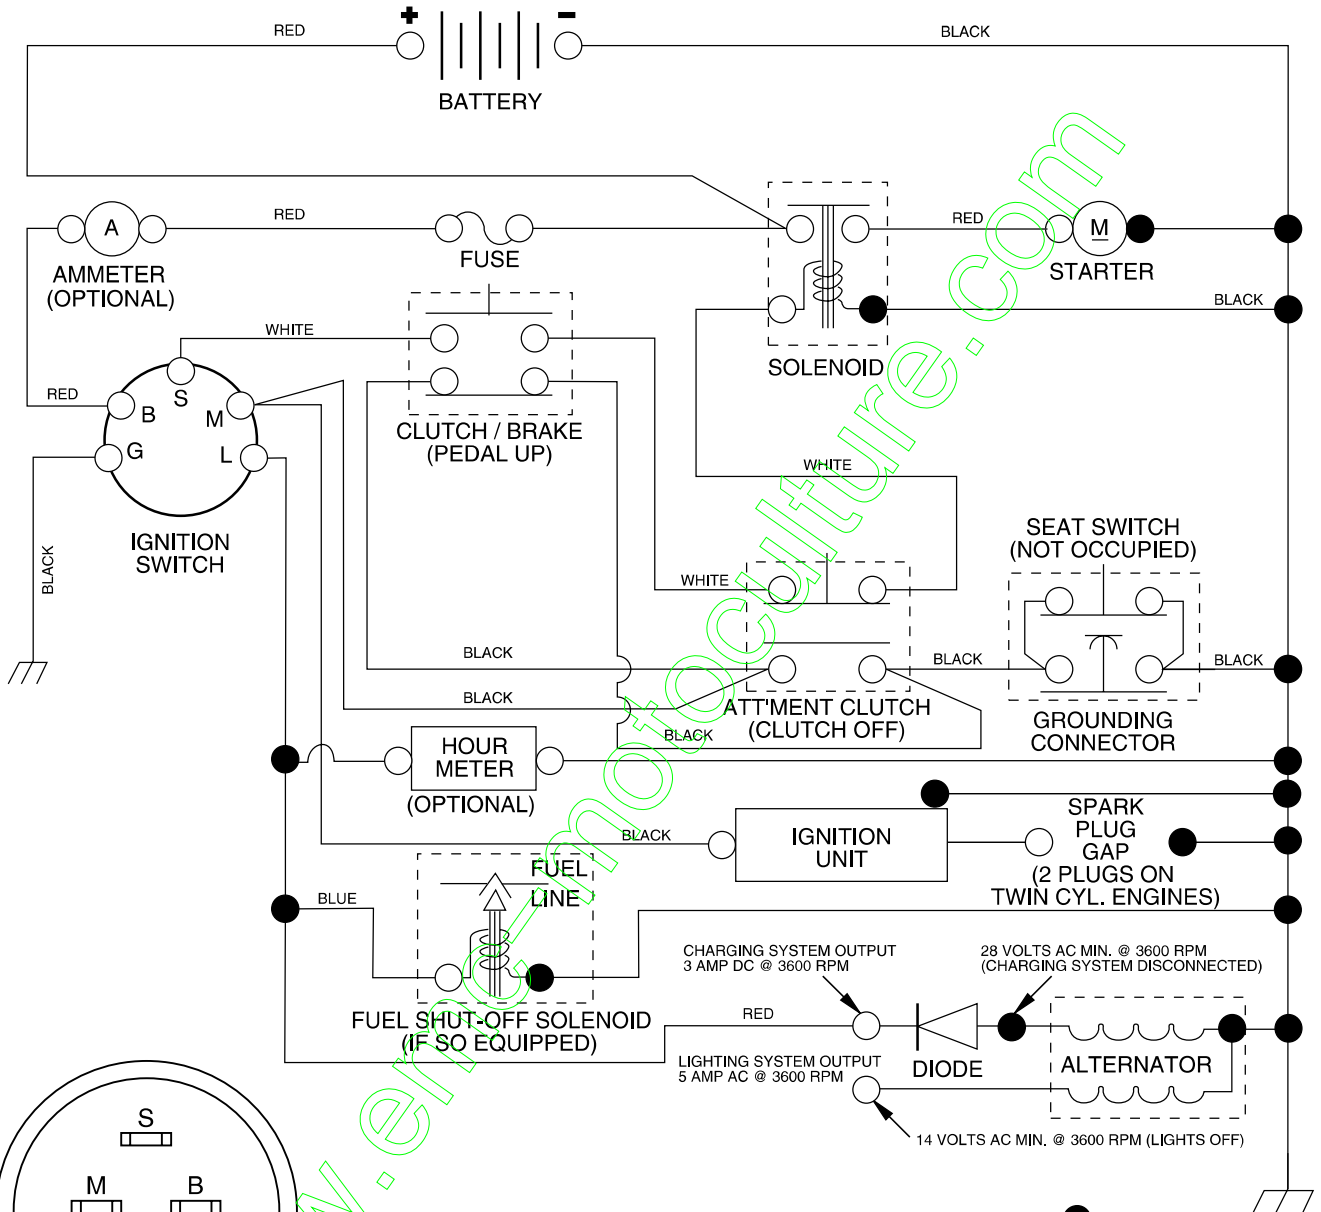

When ordering parts, always give the following information:

- Product - "Lawn Tractor"
- Model Number - BM11M91 (BM11M92A)
